

# PRODUCTS AND SERVICES

Putting the customer at the center of whatever we do remains a key priority. In this context, we covered significant ground in 2017 to develop new ways for our key products to be leaders in the areas of providing superior customer value, experience and outcome. As a future-facing organization, we continue to explore long-term growth opportunities, including solutions to improve insurance affordability and accessibility and products and services to commercialize our expertise in the identification and management of risk.

As a Company with a longstanding reputation, we offer the broadest portfolio of insurance (non-life) products and solutions.
